Board of Education

Public Forum Guidelines

The Board requests that all members of the public respect the rules outlined below so that everyone that wants an opportunity to provide input will be given the chance.

- **Except to ask clarifying questions, board members shall not interact with speakers at the open forum.**
- **Speakers are limited to 3 minutes to make their presentations.**
- **Speakers are asked to make only points that have not been made previously.**
- **The Board asks that all members of the public respect these rules so that everyone that wants an opportunity to provide input that has not already been given will have the chance.**
